

# COMCAST BUSINESS

## Pricing Guide – Version 1: August 8, 2020

These are monthly rates that are valid as of July 2020 and are subject to change. Equipment, installation, taxes and other fees are extra. Rates may vary depending on requested bandwidth and discounts may be applicable based on term of service, service quantity and number of locations, among other things. Please contact Comcast Business for more information.

Product Name	Max Download Speed	Max upload Speed	Cost
